Level: Intermediate	Instructor: Patt

**NOV**

**The Fine Print:**

**Please do not register for a class if you don't have the required experience. We WILL ask you about your experience before accepting you as a student to any of our classes:**

B - Beginner - no experience required

BI - Beginner to Intermediate - some experience required

I - Intermediate - experience required in several techniques

A - Advanced - student should be familiar with the technique being taught, as well as many other techniques

\* **All classes require a \$ 5.00 refundable deposit.** If you do not show up for your class and fail to cancel at least 4 hours prior to the start of the class, you will forfeit the deposit. If you **do** call to cancel, you may apply the deposit to another class. No refunds will be given for class deposits, unless we find it necessary to cancel the class.

\* **Please register for your class in advance since space is limited. E-mail registrations are NOT accepted at this time.**

\* **All classes start at the designated time.** If you need to purchase materials for your class, please arrive 15-30 minutes before the scheduled start time. We will supply tools for your use during the class. You are welcome to bring your own supplies and/or tools if you prefer.

\* Most classes can be scheduled as private classes during our regular business hours, if time permits, and if the instructor is available.

\* Class fees do not include the beads and supplies needed for your project, except where noted.

\* Classes with no registrations will be cancelled - we do not accept walk-ins on the day of the class.

\* Class dates and content are subject to change.

***Please register in advance for all classes - A \$5.00 (refundable) deposit is required to register.***
